

REMARKS

In the Office Action, an Election of Species Requirement was issued. Applicants hereby elect the species of Group I which corresponds to a retrofitted printing system. It is believed that claims 1-11 are readable upon the elected species. Claims 12-20 have been withdrawn, it being noted that upon allowance of an allowable generic claim, Applicant will be entitled to a consideration of claims to additional species which depend from or otherwise require all the limitations of the allowable generic claim.

Respectfully submitted,
